IndustrialCleaningMachines

## RIGOR WALKY

## MANUAL SWEEPER

### Applications:

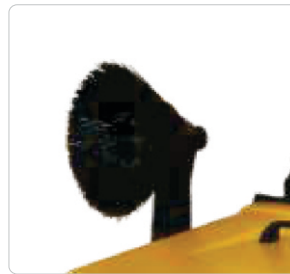

- Workshop floors
- Parking Lots & Pathways
- Airports
- Hotel Hospitals
- Shopping Malls & offices
- Railways Stations
- Petrol Pump & Fueling Stations

- Main brush on HDPE base with longer life
- Infinitely adjustable main brush ensuring perfect sweeping result without strain

- Dirt container can be easily removed for emptying and is in non corrosive material

- The side brush can be lifted up and is height adjustable

### Standard Accessories:

1. Main Brush
2. Side Brush

### Optional Accessories:

1. Rubber Gasket Set

The machine replaces conventional broom and picks up fine and coarse dust including process waste metal chips etc. A cleaning machine without any motor. The operators hand push gives motion to the wheels which drive the main and side brush and gives perfect cleaning both indoor and outdoor. This is a very simple and practical sweeper, especially suitable for cleaning of small areas and narrow passages. Particularly handy, maneuverable and easy to operate
